The evening got off to a lovely start with Champagne being served in the candle-lit, pre-parade ring at the **Racecourse** with soft piano accompanying our gossip catch-up. The food was great and the dancing even better. The party continued to a bar in town and carried on until about 3am, but those in with a chance of winning the **£10K prize** in the **Coutts International 12 goal** the next day tried to be tucked up nice and early!
